

HOPES & DREAMS

Members of the
Society of Layerists in MultiMedia

Albuquerque & Santa Fe, NM

thru December 19, 2023

This network of artists shares a holistic perspective that everything is connected. Layered art is not a style, nor a method of making art. Rather, the art piece itself is a culmination of the artist's human experience and intention while working with the medium and often, there is a sense of something 'other' than the physical.
