

SLMM ATC Exhibition Spring 2023

For this project, Judie Bordic asked the SLMM members for a commitment to create Artist Trading Cards, and in 2 groups, one of 10 cards, the other 18. ATCs are small (3.5"x2.5") works of signed art, often held in sleeves. Here's what we made, mailed to Judie, who then curated them and posted them back to us.
