

SLMM ATC Project

Spring 2022: Testing the Concept

For this initial project, Judie Bordic asked the Tuesday Zoom group for a commitment to create Artist Trading Cards, and got 30 signups! ATCs are small (3.5"x2.5") works of signed art, often held in sleeves like sports trading cards. We each sent in a set of 9, to be traded in 3 groups of 10. Here's what we captured, before Judie exchanged them for us.
