# SLMM Spring Collaboration

Artists in this project agreed to share materials with a randomly selected partner and create new art with what they received. In the process, contributors energized their art and got to know each other better. There was no theme or size constraint.

**"At Peace with Myself"**

Collaboration  
with Shirley Eley Nachtrieb

I updated this version of my collaboration with Shirley Nachtrieb by adding more threads and my signature. It consists of painted papers and gel prints. It's an 8" x10" entitled **"At Peace With Myself"**. I completed it after the recent death of my husband.

## Shirley Eley Nachtrieb with Sharon Eley

The components of this concertina book are a collaboration between Sharon Eley and me. She sent me a package of her collage papers and I sent her a box of mine. This was an invitational project sponsored by the Society of Layerists in Multimedia 2022.

The base of the book is a 22" x 30" sheet of 140 lb. cold pressed watercolor paper folded into eighths, torn lengthwise, held together with fabric ribbons at the seams. It measures 58 ½" long by 11 ½" high by 7 ½" wide. All together there are 14 pages plus front and back covers. The collage papers are hand painted, Photoshopped images, and sheet music. Thread is used throughout the pages connecting the pages as well as decorative.

The papers Ann sent were all wonderful. It took me several weeks before I could cut them into different shapes and then put them back together in a different configuration. The circles really help the piece.
